&#225;Terrible game.  
&#225;  
&#225;  
&#225;  
&#225;I just bought this, as &#127815; I was looking for a game that is exac  
tly this premise. Alas, when I found this game, I bought it &#127815; and I was  
extremely disappointed. Just loading up the game took forever, and I kept havin  
g to close and reopen &#127815; it. When it finally opened, it took 17 minutes  
just to do that. Yeah. Now it&#39;s not like I have &#127815; a terrible laptop  
, my laptop is really good and I&#39;ve never had any issues with such a thing.  
Then, upon &#127815; opening the game, I couldn&#39;t look around because the d  
efault settings were set to ultra. For the record, I don&#39;t &#127815; really  
have an issue with game devs doing this, but it leaves a bitter taste in your m  
outh. I had &#127815; to set the quality to very low and even then it was still  
so laggy. It was 2 fps at &#127815; the most (like, not stretching the truth h) Tj T\* BT /F
