and think about new ways to cooperate.This version is essentially a port of the
one we released on the 💲 Nintendo Switch in 2024.However, it's not
just a port, it now supports online play.The 2024 version of this link has €

high score by collaborating with friends. By collaborating with friends, your s
core 💲 will grow faster.[Online Play Mode]You can play together online
with people who are far away from you.However, this is a 💲 game where c
ommunication is very important, so we recommend using Discord or Zoom to play wh
