N

The game is similar to candy crush, except that instead

of candy, we have Harry Potter characters. The game is structured

on levels, which have an increased level of difficulty as they are passed succe

ssfully. At each level, you will have a limited time to solve it. You

will have to match at least 3 characters in the same row to earn poi

nts. Try to solve the level as fast as possible so that in the end you make sure

that you manage to win it.

Here you will also meet boosters or special powers that you receive as

a gift depending on how many characters you join in the same row. For

example, if you manage to unite five characters in the same row, you

will receive extra points and extra time to continue the level and manage to co

llect more coins. The game is suitable to be played with your friends

because they can also give you hints to help you identify the matche

s in the game map faster. You will also have fun together and be able to

test your attention together.

Enjoy it!
