Flags is a thinking game where you are presented with a random flag, and you must guess which country it belongs to. There are six main game modes: 60 Seconds (get as many flags correct as possible in one minute), Streak (play as long as you can without making a mistake), and Learn (wrong) Tj T* BT

When you see a flag and you will choose one of the countries listed below as potential answers. The second game mode works similarly but in reverse: The game will show you a country name and present you with three flags to choose from. The quicker you answer, the more points you will earn. And the more questions you get right without failing, the higher your score can be. What's your streak in Flags? Share the game with your friends and have a fun competition!
