World War II has been called The Good

War, often in contrast to later conflicts whose moral justificat

ion is seen as more ambivalent. But how did the Good War become good, and what a

spects of it had to be suppressed to qualify it for that title?

Call of Duty: WWII is a hard game.

There is no re

generating health, which means you have to rely on med packs you find around the

environment or ask the medic in your squad to throw you one. You have to make s

ure you manage your health through the chaotic firefights, but also your invento

ry.
