Considering its unique branching single-player, perfectly balanced multiplayer, and addictive zombies mode, the title had something big to offer for a huge array of fans.

What is your review of Call of Duty: Black Ops 3? I would give it a solid 7.5/10. It is not a great game, it will not go down in history, but it is very fun, well-designed, and really WORKS mechanically, which most Call of Duty games have not done.
