Trust us when we say that it is not every day that we get to bring you

new and ; interesting first person shooter games online, especially gam

es that are like this one that you are going to play, a ; game that we

have found to be quite unique, and one that we are positive you are going to lov

e ; playing plenty, because it was our own amazing time with it that ma

de us convinced that we had to share ; it with everyone. From this foll

owing part of the article you learn everything you need to know about the game,

; so why not read to the end before you start? You are going to move ar

ound using the w, a, ; s, d keys, while with the mouse you look around

as well as shoot. In this game, only when you ; are moving the time is

flowing, so when you stop, it also stops. Use this to your advantage in order ;

128077; to avoid enemy shots, and if you do it right, you then get to have a st

ep ahead of them ; and shoot them down faster and take them out, advanc

ing through the stage. Get through one stage after the other, ; until y

ou completely win the game. Good luck, and if you are up for more fun, sticking

around here and ; having even more fun with other great games that are

coming is certainly what you have to do!

;

How to play?

;

Use ; the mouse and the w, a, s, d keys.
