What is Spec Ops? Spec Ops or Special Operations is

a co-op game mode that places players in war-torn areas with specific tasks to complete. Some missions may require a player to eliminate a target, while others may require the player to steal enemy intel.

The Special Ops section of Modern Warfare can be a little hard to find. You'll need to

head into the Co-Op section of the main menu, where you'll be able to select a Spec Ops mission to play through. You can play this solo or in a group, just create a room and then start the match.
