A successful daily fantasy football player chooses

his/her games wisely. Balanced game selection and money management

are key. You want to play a lot of low risks, low return on investment

games. A good fantasy player should be able to steadily increase bankroll by

doubling up on 50/50 style contests.

The three DraftKings users who have become millionaires

have each approached their lineups a little differently, but there are

also a lot of similarities which have helped them take home the Millionaire

Maker crown. Let's break down the three winning lineups so far,

starting with the most recent in Week 7.
