Military unit

Operation 40 was the code name for a Central Intelligence Agency-sponsored counterintelligence group composed of Cuban exiles.[1] The group

was formed to seize control of the Cuban government after the Bay of Pigs Invasion.

[2] Operation 40 continued to operate unofficially until disbanded

in 1970 due to allegations that an aircraft that was carrying cocaine and heroin

in support of the group crashed in California.[1]

It was approved by President Dwight D. Eisenhower in March 1960, after

the January 1959 Cuban Revolution, and was presided over by Vice President

Richard Nixon.[citation needed]

Origins [ edit ]

On 11 December 1959, following the Cuban Revolution of January

1959, Colonel J.C. King, chief of the CIA's Western Hemisphere Division,

sent a confidential memorandum to CIA director Allen W. Dulles. King

argued that in Cuba there existed a "far-left dictatorship, which if allowed

to remain will encourage similar actions against U.S. holdings in other

Latin American countries." [citation needed]
