The game is similar to candy crush, except that inst

ead of candy, we have Harry Potter characters. The game is structured on lev

els, which have an increased level of difficulty as they are passed successfully

. At each level, you will have a limited time to solve it. You will have to

match at least 3 characters in the same row to earn points. Try to solve the

level as fast as possible so that in the end you make sure that you manage

to win it.

Here you will also meet boosters or special powers that you receive as

a gift depending on how many characters you join in the same row. For exampl

e, if you manage to unite five characters in the same row, you will receive

extra points and extra time to continue the level and manage to collect more

coins. The game is suitable to be played with your friends because they can als

o give you hints to help you identify the matches in the game map faster. Yo

u will also have fun together and be able to test your attention together.
