Among Us - Impostor.iO is an exciting new multiplayer game that plunges you into a battle for survival against other impostors. Your primary goal is to eliminate as many opponents as possible to increase your experience level. You do this by collecting gray cubes scattered around the battlefield. You can also earn experience and gold by eliminating other impostors. However, beware of players with more experience and advanced weapons, as they can eliminate you in seconds. The best strategy is to bide your time, gain experience, and become the most formidable Imp in the game. The more players you eliminate, the more points and experience you gain, which you can use to upgrade your weapons and increase your strength.
