Call of Duty: Modern Warfare III is a third-person shooter game developed by Infinity Ward and published by Activision. It is the third game in the Modern Warfare sub-series, following Call of Duty: Modern Warfare (2019) and Call of Duty: Warzone (2020). The game features a single-player campaign, a multiplayer mode, and a battle royale mode called Warzone. The campaign follows the story of Captain Price and his team as they fight against the terrorist group Al-Qatala. The multiplayer mode allows players to compete in various game modes, including Team Deathmatch, Domination, and Search and Destroy. Warzone is a battle royale game where up to 150 players can compete to be the last one standing. The game was released on November 16, 2022, for PlayStation 5, Xbox Series X/S, and PC. It received mixed reviews from critics, with praise for its graphics and sound design, but criticism for its repetitive gameplay and lack of innovation. The game has sold over 10 million copies worldwide as of March 2023.
